Leylaty

"What sets Leylaty group a side from all restaurants is that we always seek for the costumers' pleasure and approval above all, and we always keep an open eye for the quality of food we are serving,"
Said President of Leylaty Group of Restaurants Hani Al-Attas.
"We always invest in our staff for they are essential to us and to our restaurants because they are the people in charge of the quality of food and service in the restaurant," he added.

SETTING STANDARDS IN RESTURANTS

Almost 11 years in the business, and the Leylaty group of restaurants still leads the fast developing fine dining experience in Jeddah. Leylaty Group has created five distinct concept driven fine dining restaurants locally, from Chinese - Toki, to Lebanese - Byblos, seafood - Al-Muktaqa, international fusion. Bubbles and the recent - Indian arrival –Baharat; each restaurant transports the patron to a different culinary experience through their outstanding service, pleasant atmosphere and delicious cuisine.

Design Magazine interviewed the President of the Leylaty Group, Hani Al-Attas, about operations, obstacles and creating a fine dining empire.
